In the residents, we indicate that we will split samples with PADEP and Cabot, but don't we need the residents approval to do that? Shouldn't we add that to the message?

THIS MEMO MAY CONTAIN PRIVILEGED ATTORNEY-CLIENT COMMUNICATIONS

Hi, Attached are documents received HSCD, which I've reviewed and --in some cases-- edited. If you have any comments on these documents, please provide them to me **by this morning**, so I can consolidate and send to the program and to Cecil, in the spirit of "One ORC" :). Bill, I think you need only to focus on the first doc (Fact Sheet), but of course your comments are welcome on all.

Attached are initial drafts of the roll-out plan and fact sheet for residents in addition a plan of action. These still need some work, but they are a good starting point.
